

Europe Cassette/Canister Recycling Program

- 1 The empty canister/cartridges should be collected and packaged.

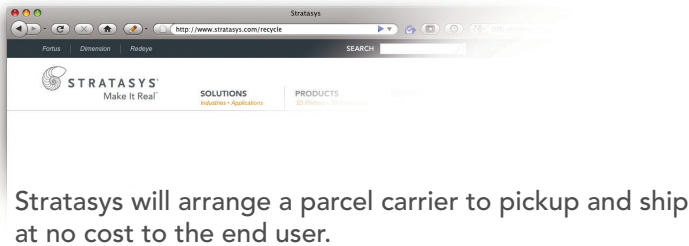

The total weight of any one package must not exceed 32kg (70lbs).

Methods of Shipment

Stratasys Arranged Shipping & Pick up.

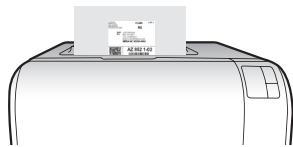

- 2 Complete and submit form at www.stratasys.com/recycle

Stratasys will arrange a parcel carrier to pickup and ship at no cost to the end user.

3a **UPS Electronic Waybills:**

1. Stratasys will send confirmation email with web link to print return label.
2. Print and attach label(s) to package(s) (1 label/package).
3. Contact local UPS for pick up (contact info on label).

3b **GLS or DPD Pickup**

1. Stratasys will send a confirmation email.
2. GLS or DPD (or affiliate) will pick up within 5 business days.
3. Driver will bring and attach waybill/pick up package.

Shipping for End Users with UPS Accounts.

(Germany, Austria, Benlux only)

- 2 Prepare return at www.ups.com or paper waybill.

1. Enter **E900V9** as **RECEIVER UPS Account No.**
2. Select as Payment of Charges **RECEIVER.**
